The box set is a beautiful object in and of itself. The books are bound in a sturdy hardcover with a dust jacket that features a stunning painting of a starship. The box itself is also very well-made, and it has a magnetic closure that keeps the books securely in place.

I've been a fan of Frederik Pohl's writing for many years, and I was very excited to get my hands on this box set. I've read all of the novels in the

series before, but it was great to have them all together in one place. I also really enjoyed the bonus novella, which provides some additional background on the history of the Hegemony.

Overall, I'm very impressed with Stars End: The Complete Box Set. It's a beautiful and well-made collection of classic science fiction novels. If you're a fan of Frederik Pohl or science fiction in general, I highly recommend checking it out.

Unboxing

The Stars End: The Complete Box Set comes in a sturdy cardboard box with a magnetic closure. The box is covered in a beautiful painting of a starship, and it has a silver foil logo on the front. The box is also very well-made, and it feels like it will last for many years to come.

When you open the box, you'll find the 13 novels in the series, as well as the bonus novella. The books are arranged in chronological order, and they're all bound in a sturdy hardcover with a dust jacket. The dust jackets are all different colors, and they feature beautiful paintings of scenes from the books.

In addition to the books, the box also includes a map of the Hegemony, a timeline of events, and a character guide. These extras are a nice touch, and they help to make the box set feel like a complete and cohesive package.

Review

The Stars End series is one of the most important and influential science fiction series of all time. It's a sweeping epic that tells the story of the rise

and fall of the Hegemony, a powerful interstellar empire. The series is full of complex characters, thought-provoking ideas, and thrilling action.

Frederik Pohl is a master of science fiction, and his writing is both entertaining and thought-provoking. He creates believable worlds and characters, and he explores complex ideas in a way that is both accessible and engaging.

The Stars End series is a must-read for any fan of science fiction. It's a classic series that has stood the test of time, and it's still as relevant and thought-provoking today as it was when it was first published.

Stars End: The Complete Box Set is a beautiful and well-made collection of classic science fiction novels. If you're a fan of Frederik Pohl or science fiction in general, I highly recommend checking it out.
